Dear <<Name 1>>,

Oak Valley Hospital District (“OVHD”) is committed to protecting the privacy and security of the information in our care. We recently identified and addressed an incident involving some of that information. This letter explains the incident and the measures we have taken.

What Happened: On July 18, 2023, we became aware of unauthorized access to our systems. We immediately launched an investigation with the assistance of a professional forensics firm, and the investigation determined that an unauthorized person accessed information on our systems between April 21, 2023 and July 18, 2023.

What Information was Involved: Our investigation could not rule out the possibility of unauthorized access to files used for billing or treatment purposes, some of which may have contained your name, Social Security number, health insurance information, and information regarding your care with OVHD.

What We are Doing and What you Can Do: Out of an abundance of caution, we are offering you a complimentary membership to Experian® IdentityWorksSM Credit 3B. This free product helps detect possible misuse of your personal information and provides you with identity protection support focused on immediate identification and resolution of identity theft. *The pages that follow this letter contain information about how to enroll in the complimentary credit monitoring services we are offering.* We also remind you that it is always a good idea to review the statements you receive from your healthcare provider and health insurer. If you see services that you did not receive, please contact the provider or insurer immediately.

We want to assure you that we are taking this matter very seriously, and we regret any inconvenience this may cause you. To help prevent something like this from happening again, we strengthened the security of our systems and will continue enhancing our protocols to safeguard the information in our care.

ADDITIONAL STEPS YOU CAN TAKE

We remind you it is always advisable to be vigilant for incidents of fraud or identity theft by reviewing your account statements and free credit reports for any unauthorized activity. You may obtain a copy of your credit report, free of charge, once every 12 months from each of the three nationwide credit reporting companies. To order your annual free credit report, please visit www.annualcreditreport.com or call toll free at 1-877-322-8228. Contact information for the three nationwide credit reporting companies is as follows:

- *Equifax*, PO Box 740241, Atlanta, GA 30374, www.equifax.com, 1-888-378-4329
- *Experian*, PO Box 2002, Allen, TX 75013, www.experian.com, 1-888-397-3742
- *TransUnion*, PO Box 1000, Chester, PA 19016, www.transunion.com, 1-800-916-8800

If you believe you are the victim of identity theft or have reason to believe your personal information has been misused, you should immediately contact the Federal Trade Commission and/or the Attorney General's office in your state. You can obtain information from these sources about steps an individual can take to avoid identity theft as well as information about fraud alerts and security freezes. You should also contact your local law enforcement authorities and file a police report. Obtain a copy of the police report in case you are asked to provide copies to creditors to correct your records. Contact information for the Federal Trade Commission is as follows:

- *Federal Trade Commission*, Consumer Response Center, 600 Pennsylvania Avenue NW, Washington, DC 20580, 1-877-IDTHEFT (438-4338), www.identitytheft.gov

Fraud Alerts: There are two types of general fraud alerts you can place on your credit report to put your creditors on notice that you may be a victim of fraud—an initial alert and an extended alert. You may ask that an initial fraud alert be placed on your credit report if you suspect you have been, or are about to be, a victim of identity theft. An initial fraud alert stays on your credit report for one year. You may have an extended alert placed on your credit report if you have already been a victim of identity theft with the appropriate documentary proof. An extended fraud alert stays on your credit report for seven years. To place a fraud alert on your credit reports, contact one of the nationwide credit bureaus. A fraud alert is free. The credit bureau you contact must tell the other two, and all three will place an alert on their versions of your report. For those in the military who want to protect their credit while deployed, an Active Duty Military Fraud Alert lasts for one year and can be renewed for the length of your deployment. The credit bureaus will also take you off their marketing lists for pre-screened credit card offers for two years, unless you ask them not to.

Credit or Security Freezes: You have the right to put a credit freeze, also known as a security freeze, on your credit file, free of charge, which makes it more difficult for identity thieves to open new accounts in your name. That's because most creditors need to see your credit report before they approve a new account. If they can't see your report, they may not extend the credit. *How do I place a freeze on my credit reports?* There is no fee to place or lift a security freeze. Unlike a fraud alert, you must separately place a security freeze on your credit file at each credit reporting company. For information and instructions to place a security freeze, contact each of the credit reporting agencies at the addresses below:

- **Experian Security Freeze**, PO Box 9554, Allen, TX 75013, www.experian.com
- **TransUnion Security Freeze**, PO Box 160, Woodlyn, PA 19094, www.transunion.com
- **Equifax Security Freeze**, PO Box 105788, Atlanta, GA 30348, www.equifax.com

You'll need to supply your name, address, date of birth, Social Security number and other personal information. After receiving your freeze request, each credit bureau will provide you with a unique PIN (personal identification number) or password. Keep the PIN or password in a safe place. You will need it if you choose to lift the freeze. *How do I lift a freeze?* A freeze remains in place until you ask the credit bureau to temporarily lift it or remove it altogether. If the request is made online or by phone, a credit bureau must lift a freeze within one hour. If the request is made by mail, then the bureau must lift the freeze no later than three business days after getting your request. If you opt for a temporary lift because you are applying for credit or a job, and you can find out which credit bureau the business will contact for your file, you can save some time by lifting the freeze only at that particular credit bureau. Otherwise, you need to make the request with all three credit bureaus.
